

## Questions to Ask at the Grocery Store

- If quantities of a product are on sale, can you get less than the quantity listed and still get the deal (2 for \$4.00, can you get just one at \$2.00)?
- Do you have to get 2 items to get the deal if the product is buy 1 get 1 free?
- Do they double coupons? If so, is it only certain times? Does the coupon have to be under a certain amount?
- Do you need a discount card with the store to get the savings advertised?
- Do they offer a senior discount? If so, is it only on a certain day? Is it weekly or monthly? How old do you have to be to get the discount?
- Can you break apart foods that come in bunches to get the amount you need? For example: grapes, bananas.
- Can you get half of a cake instead of a whole cake?
- Is it possible to get six eggs instead of a dozen?

The University of Georgia and Ft. Valley State University, the U.S. Department of Agriculture and counties of the state cooperating. Cooperative Extension the University of Georgia Colleges of Agricultural and Environmental Sciences & Family & Consumer Sciences offer educational programs, assistance and materials to all people without regard to race, color, national origin, age, gender or disability.
