

CED press clippings

College of Environment + Design UNIVERSITY OF GEORGIA

CED faculty and students have made a few recent appearances in the news. A BLA student and regular columnist for the local Flagpole magazine, Kevan Williams, wrote about his participation in an [Athens redevelopment conference](#). Faculty member Alfie Vick's work on a reconstruction of a [historic Cherokee village](#) was profiled in Oklahoma's Talequah Daily Press. Also, CED students took second and third place in the [2010 Park Pride Design Competition](#), as well as two honorary mentions.
