CED student worker Shannon Hamilton, 4th year BLA, has been chosen as one of the top 100 student workers on campus and will be honored at an awards lunch on April 22, 2015. Shannon works for CED in the Technology office and assists with various projects such as printing, plotting, equipment check-out, and other needs. She is a great asset to both CED and the BLA program and we are proud to have her represent us at this event during Honors Week. Shannon is supervised, and was nominated for the award, by Lee Cornell.
