

Dean Nadenicek elevated to fellowship by ASLA

 Rose Tahash

April 20, 2016

College of Environment + Design UNIVERSITY OF GEORGIA

Congratulations to our Dean, Daniel Nadenicek, on being elevated to fellowship by the American Society of Landscape Architects for 2016!

Dean Dan received his nomination, in Knowledge, from the Georgia chapter. He has dedicated his life to expanding the knowledge base of the profession through research, teaching, administration, and service, with a particular focus on landscape architecture history.
